

Chicken Pot Pie

Chicken Pot Pie

1 roasted chicken (raleys will give you one dinner, costco's is cheaper and you only need 1/2 so it will give you two dinners but you'd have to send Amatxi to get it for you.)

1/2 c frozen peas

1/2 c chopped carrots

(Or you can use 1 c of frozen peas and carrots from Walmart but I think the fresh carrots taste better)

1 c chicken broth (buy the chicken boullion cubes and use one cube with one cup of water and dissolve the cube in it by boiling the water in the micro)

1 can of cream of chicken soup.

1 1/2 c bisquick

1 c of milk

1/2 stick of butter

Mix the chopped chicken, veggies, broth, and cream of chicken soup all together and pour into a baking dish that is the next size smaller than the 13x9 dish. We have one at home. Then mix the bisquick and milk, pour over the chicken stuff, and then drizzle the butter over the top. Bake at 350 for about 35 minutes or until golden brown
